TAU KAPPA PHI

TAU KAPPA PHI is an active and participating fraternity at UICC.

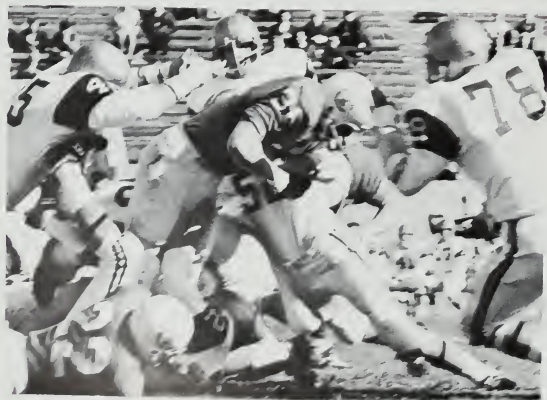

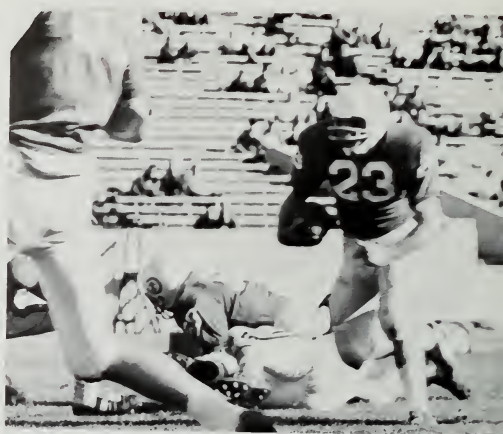

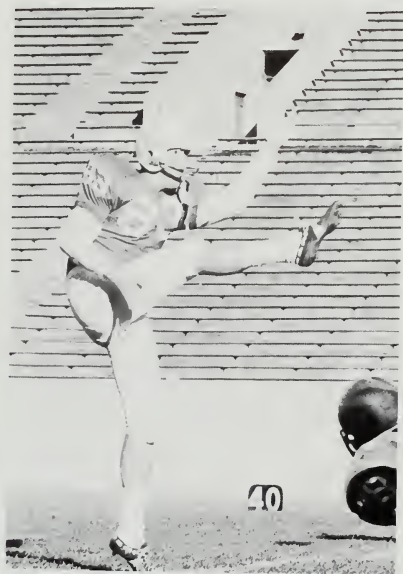

An abstract, high-contrast black and white artwork. The background is split vertically into a dark left half and a light right half. In the center, a white silhouette of a basketball player is shown in a dynamic pose, dribbling a ball. To the left of the player, two large, light-colored, oval shapes hang vertically from the top, resembling basketball hoops. Below them, a long, dark, diagonal shape suggests a basketball backboard. In the upper right corner, two dark, intersecting diagonal lines represent a basketball hoop and backboard. At the bottom left, a white, blocky silhouette of a bench is visible. The word "SPORTS" is printed in bold, black, sans-serif capital letters within a white rectangular box that overlaps the player's torso.

SENIOR ACTIVITIES

This year's senior class marks the end of an era. The last of the "People of the Pier" are now graduating. As they follow their various paths, whether in the professions or in further academic studies, they carry with them that rare combination of the old and new--those memories that have enriched their lives, and the knowledge that will provide them with the ability to accomplish whatever tasks society may demand of them.

We of the yearbook staff sincerely hope that the Class of 1968 succeeds.
